This allows us to maintain a computer record of your picture, your child's picture and helps us to post pictures of the children and parents as they are enjoying a special activity.

This document DOES NOT allow Apple Pie Day Care to use your photo for marketing or advertising on a brochure or an internet web site. We WILL NOT use the picture for marketing purposes.

By signing below I authorize Apple Pie Christian Academy to take pictures or video of me and my child(ren) and use them within the child care center only.
